

FUNDRAISING OPPORTUNITY

THE PROVIDENCE EFFECT
Opening September 25, 2009
Group Rebate Program

THE PROVIDENCE EFFECT is the story of an individual man, the inner city Chicago school he founded, and the student lives the school has changed and saved. The school, Providence St. Mel, has a 30-year 100% college placement record; with an "old school" approach to learning -- "Do the work." --- and a dedicated corps of teachers and administrators, Providence St. Mel can serve as a model for revamping all of American education.

We are interested in bringing this inspiring film to community and education leaders, parents and organizations to encourage a productive dialogue about the future of our kids. We believe that communities can come together to improve our schools. We are offering a special group rebate program for nonprofit organizations. If at least 20 people from your organization attend a screening of *The Providence Effect* on September 25, 26 or 27, we will rebate \$2 for every ticket stub you send in with a completed Group Rebate Form.
